Sir:

Second Request for Assignment of Correct Filing Date

The above-identified patent application was properly mailed via the Express Mail procedure (37 CFR 1.10) on November 16, 2001 and is unambiguously entitled to a filing date of November 16, 2001. Owing to the recent suspension of Express Mail service to the Patent Office, the application was returned (undelivered-unopened) by the U.S. Postal Service to the undersigned attorney. Following the emergency procedure approved by the U.S. Patent Office, on November 28, 2001, the unopened application was re-mailed (again via Express Mail) to the alternate address, Box Filing Date, P.O. Box 2327, Arlington, VA, and should thus, upon receipt, have then been accorded the filing date of November 16, 2001. A copy of the required explanatory cover sheet (Resubmission of Express Mailing, dated November 28, 2001) is attached.

The now-assigned filing date of November 26, 2001 (see enclosed copy of Applicant's filing postcard) is doubly wrong since it corresponds to no date of relevance herein. Applicant understands the difficulties that world circumstances have placed upon

the Patent Office, and the Office's efforts are hereby respectfully acknowledged.
Correction of the filing date in due course would be greatly appreciated.

Respectfully submitted,

Dated: 12/14/01
